Subject: about EPA-2018-009101 (the pbi tracking assigned to the 0000a set of three requests assigned to HQ)

The due date of 10/5/2018 is unreachable and unreasonable.

We are still waiting on an answer to hq staff from including Joan Kaminer and are unable to proceed with the task of sending an unknown number of substantiation request letters. We emailed the hq staff on Sept. 25

As you know, the facilities will have 15 business days to respond once those letters are sent.

Depending on responses, we then have to transfer records up to HQ to finish.

I'm not sure why this pbi tracking is not showing a HQ in its' designation, but I do find it in FOIA on line.
